EDUCATION

NEWFORCE, AUGUST 2023 -MARCH 2024

Software Development Training Program
In Partnership with MountwestCTC

THE EVERGREEN STATE COLLEGE

Bachelor of Arts, Music and Psychology

TECHNICAL EXPERIENCE

Junior Full Stack Developer

NewForce   *Aug 2023-March 2024*

Intensive full-time 6-month software development immersive training program focusing on full stack (C#/.NET) development fundamentals and problem solving. The final half of the program is executed in a simulated company environment with Scrum methodology.

- Applied object-oriented programming fundamentals through team-based projects that reflect real world business problems
- Collaborated remotely on projects using Slack and Zoom
- Managed source code version control with Git/ GitHub
- Applied JavaScript, HTML, and CSS fundamentals to build a feature-rich social media dashboard
- Leveraged native ES6 module bundling to build DRY, reusable components
- Designed and built single-page applications with React using Hooks
- Designed applications through white boarding dependencies and building ERD's
- Built and interacted with databases using SQL and ADO.NET
- Developed a blog management platform in ASP.NET, MVC, and Razor templates in Visual Studio 2022
- Created RESTful Web API with C#/ .NET Core and connected it to a React front-end
- Built and maintained integration tests in .NET Core

WORK EXPERIENCE

Applications Project Lead

Snappy Kraken   *Sept 2020-Mar 2023*

- Created and managed high level workflows to track, troubleshoot, and resolve hardware, software, and integration issues for an entirely remote, high-growth company.
- Built, analyzed, and updated monthly and quarterly reports for a variety of teams, KPIs, and projects.
- Analyzed business needs, independently and within teams, to solve challenging problems using process, automation, and technology.
- Drafted, tested, and implemented scripts and automations to optimize company-wide operations, enable increased productivity, and solve complex problems.
- Utilized exemplary project management skills, communicated and collaborated across departments, and ensured all project deliverables were completed ahead of their respective due dates.

Executive Assistant / Heritage Manager

Friends of Blackwater   *Jan 2020-Sept 2020*

- Oversaw multiple local, state, and federal grants pertaining to cultural heritage and local history.
- Managed SEO/SEM, social media, and print marketing / advertising campaigns.
- Maintained the organization's donor database, entered all donations and engagement data, and assisted Staff Accountant with monthly and annual financial reports.
